Hi Adrian and others,

Based upon the current status of our review of Rule Packages 3 and 4 (consisting of changes to Wisconsin's rules to address 21 of the issues identified in EPA's legal authority review), we have identified some additional questions for discussion (attached). I am sending these along, per your request, to assist you in preparation for our call on Monday.

I do want to note that our preliminary review of 21 of the issues addressed by Rule Packages 3 and 4 has been completed and did not identify any questions pertaining to Issues 28, 31, 32, 36, 37, 38, 40, 70, or 74.

We look forward to talking on Monday.

Candice
